[REDACTED] PROPERTY MANAGEMENT,  
GSA, SAN FRANCISCO, ADVISED IT HAS BEEN DECIDED THAT THERE WILL  
PROBABLY BE NO ACTION REGARDING INDIANS ON ALCATRAZ FOR A DAY OR  
TWO. AT THE PRESENT TIME THERE IS A MEETING GOING ON AT WHITE  
HOUSE WITH REPRESENTATIVES OF WHITE HOUSE STAFF AND DEPARTMENTS  
OF INTERIOR, JUSTICE, AND GSA, AS TO WHAT ACTION TO TAKE.  
THERE IS ALSO A "POW WOW" AT ALCATRAZ AT PRESENT, AND DISCUSSION  
AMONGST THE INDIANS IS AS TO WHETHER THEY WOULD DO BETTER IF THEY  
WITHDREW FROM ISLAND AND THEN HAD A CONFERENCE WITH SECRETARY  
OF INTERIOR HICKEL REGARDING THEIR DEMAND THAT ALCATRAZ BE TURNED  
OVER TO THEM.

LAW SAYS INDIANS ARE NOT HIPPIE TYPE AND ARE NOT ALLOWING  
ANY HIPPIE TYPES ON ISLAND. INDIANS ARE POLICING ISLAND WELL  
THEMSELVES. INDIANS CLAIM ISLAND IS THEIRS AND PERMIT  
GSA REPRESENTATIVES ON ISLAND ONLY AS GUESTS. INDIANS HAVE

ASAC James Moreland, San Francisco, telephonically advised this afternoon that the acting United States Attorney (USA) at San Francisco, Richard Urdan, had requested representatives of our San Francisco Office accompany him to Alcatraz Island to confront a group of Indians who had taken possession of the island. Mr. Urdan was to request the Indians to leave and, if they refused to do so, he wanted them forcibly removed.

ASAC Moreland stated last week 15 American Indians of various tribes took over the island, which is administered by General Services Administration (GSA). At the request of GSA, they left. Yesterday, approximately 130 Indians went over to Alcatraz. GSA asked them to leave and some did. The majority, however, have indicated they intend to stay and hide out on the island. GSA has given them until noon today to leave the island. The take-over of Alcatraz by the Indians last week and yesterday has been the subject of considerable publicity.

ASAC Moreland advised that acting USA Urdan has contacted the San Francisco Office and advised that if the Indians did not leave at noon today, San Francisco time, he planned to go over to Alcatraz and confront the Indians, order them to leave, and in the event they refused, have them forcibly removed. He wanted representatives of our San Francisco Office to accompany him and, in the event his demands were not met, to assist in the forcible removal of the Indians.

*70-51261-6*  
**ACTION:** This appears to be a function of the United States Marshal's Office rather than the FBI. ASAC Moreland was advised that we should not accompany the acting USA. If he wanted to go to Alcatraz and demand that the Indians leave, that was up to him, but we should not get involved either in the demands or the forcible ejection of the Indians from Alcatraz. ASAC Moreland stated he would so advise the acting USA.

ReButelcall to San Francisco 6/10/70.

On 6/10/70, [redacted] Chief of the General Crimes Unit, Criminal Division, Department of Justice, related that in conversation with U.S. Attorney James Browning, Northern District of California at San Francisco, Browning said that it had come to his attention through the news media that Indians on Alcatraz were utilizing barges to carry away scrap, including copper piping for sale to scrap dealers in the San Francisco area.

[redacted] requested that we investigate this situation, however, it was not desired that we go on Alcatraz Island to pursue the matter. [redacted] was assured that should violations of the law within our investigative jurisdiction come to our attention we would conduct that investigation necessary, followed by discussion with the Office of the U.S. Attorney in order to obtain his prosecutive opinion. [redacted] was informed that in no instance would we take on a policing function and would not go to the Island to further any investigations. [redacted] related that he understood this.

REC-77

70-51261-11

ASAC San Francisco was advised of the above and stated that the U.S. Attorney was mistaken when saying that large loads of scrap were being taken from the Island. He stated that information had been received that a minimal amount of scrap had been sold and that investigation was being conducted in this regard. ASAC San Francisco was instructed upon receipt of a complaint of violations within our investigative jurisdiction to conduct that investigation necessary to resolve the matter followed by discussion with the Office of the U.S. Attorney to obtain a prosecutive opinion if appropriate. In pursuing any investigation, our Agents were not to journey to the Island or engage in any type of policing function. ASAC related that he would insure that in investigating these cases other Federal agencies, particularly the General Services Administration, understand that we are not assuming control of the situation on the Island.

**PURPOSE:** To advise you of the latest developments regarding the eviction of Indians from Alcatraz Island and the occupation of an inactive U. S. Army Nike missile site, Richmond, California, by a group of 50 individuals.

**BACKGROUND:** Our San Francisco Office advised that approximately 40 Indians demonstrated in front of the Federal Office Building at San Francisco on June 15, 1971, protesting their eviction from Alcatraz Island. A portion of this group proceeded to the U. S. Marshal's Office and requested their personal belongings be returned to them. No attempt was made by any of the demonstrators to enter FBI space and no arrests were made.

On June 14, 1971, approximately 50 individuals primarily of the Indian race entered the 25 acre inactive U. S. Army Nike missile site at Richmond, California. Part of the group consists of Indians evicted on June 11, 1971, from Alcatraz Island by U. S. Marshals. A spokesman for the group advised they would talk to no one but the press and U. S. Marshals indicating they desired a confrontation with U. S. Marshals.

Assistant U. S. Attorney [redacted] Chief, Lands Division, San Francisco, advised the FBI had no CCR jurisdiction as the land was not ceded to U. S. Government and the Army has custodial jurisdiction of the property. There has been no indication of any destruction of Government property violations.

On June 14, 1971, the Commandant, Sixth Army, San Francisco, filed a complaint and requested Richmond, California, Police Department to remove Indians for trespassing. Chief of Police, Richmond, California, advised he would arrest Indians at 3:00 a.m., June 15, 1971, if raid preparations could be finalized.

Rosen to Sullivan Memorandum  
RE: INDIAN OCCUPATION OF  
ALCATRAZ ISLAND

On June 15, 1971, Chief of Police, Richmond, California, advised the Indians at the Nike missile site were not arrested as planned because he had expected the U. S. Army would supply logistical support and other assistance to this operation and have refused to do so. Officials and local authorities of Richmond, California, are unhappy that they are being required to function alone and carry the financial burden and cost of the raid and arrests. The Chief of Police, Richmond, indicated on June 15, 1971, he may make a press release about the lack of cooperation of the military.

A San Francisco source determined from an Indian spokesman at the missile site that a number of Indians are coming to the site from Canada and they anticipated having as many as 2,000 Indians at the site by June 18, 1971.

ACTION: For information. Attached for your approval is a letter to the Attorney General with a copy to the Deputy Attorney General and Assistant Attorney General, Criminal Division, advising of the above.

GENERAL INVESTIGATIVE DIVISION

Attached teletype reports that a group of approximately 30 people professing to be American Indians who formerly occupied Alcatraz Island appeared at the San Francisco Office accompanied by their attorneys on 9/14/71. A spokesman for the group advised they appeared to express support for three subjects, also Indians, who are awaiting trial on Possession of Stolen Government Property charge. An attorney in the group produced 12 signatures of Indians who claimed to have been present at a meeting in early June, 1971, on Alcatraz and voted in favor of selling the copper on the Island to help support their group.

b6

b7c

[redacted] were arrested on 6/11/71, by FBI Agents in San Francisco for Possession of Stolen Government Property. The subjects sold approximately 1600 pounds of Government copper wire valued at \$600 to a local San Francisco metal dealer. The copper was obtained from cable lines at Alcatraz Island which at the time had been occupied by American Indians for the previous nine months. U. S. Marshals invaded Alcatraz Island on 6/11/71, and evicted the remaining Indians.

Facts pertaining to the 9/14/71, demonstration were discussed with an Assistant U. S. Attorney, San Francisco, who requested an investigative report regarding the incident before a prosecutive opinion would be rendered. Aggressive investigative action is being conducted by our San Francisco Office.
